Club Business Coaching

Launch of Club Business Coaching "CBC" at the entrepreneurial spaces of Ariana (Pilot action), Tunis, Nabeul and Zaghouane to inspire innovation, encourage entrepreneurs and build sustainable communities.

Grow your Business

ANETI enhances its entrepreneurship programs offered by adding a new training "Grow your Business" (GYB) that targets the Small and Medium Enterprises (SME's). This training focuses on business growth plan and includes new modules on marketing, operations, human resources, financial and strategic management. The GYB training can also be offered online on the SIYB GATEWAY platform.

Think GREEN and BLUE !

ANETI is committed to the green and blue economy through MYSEA project. It aims to empower 250 young people and women NEET's between the ages of 18 and 35 to integrate them into the labor market and to accompany them to create their own environmental projects or associations.
